Båtverket Sverige AB is the new main dealer for Dehler in Sweden

Båtverket has taken over as the main Dehler dealer for whole Sweden. Maxim Neumann, head of sales at the HanseGroup states: "With Dehler Sverige we found a strong partner to take over the complete Swedish country as general importer. Managing Director Bo Bäversjö has many years of experience in the management, sales and service of Dehler yachts on the west coast and is well known as one of the leading yacht dealers in Sweden. Based in Gothenborg and Stockholm, the company is placed in the most important Swedish locations. With a very favorable and close collaboration directly with the Dehler shipyard, Swedish customers will definitely have the best partner when choosing the right Dehler for them through Dehler Sverige."
